LETTER FROM THE FOUNDER

“For we are God’s handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do.” - Ephesians 2:10

This past year has been nothing short of exciting, transformative, and humbling. Last year I and a few friends of mine put together a conference based on a calling from God and no clear plan on if it would continue past the one time. A few months later we realized that not only was this type of program needed, but there was so much more we could do to serve the intellectual and developmental community, specifically in their faith. Too scared to start a whole non-profit, I sent an email to my pastor in January asking if the church would act as a fundraising umbrella so I could get more donations to make conference possible again. His response is one that scared and excited me at the same time... “If you want us to help we can discuss that, but I really think you should just go for it and become a non-profit organization. This thing could be huge... it’s time to put in the whole potato”. That was all the affirmation I needed to know that it was time once again to take a leap of faith. Through prayer, a few late nights, and my poor husband listening to hours of me trying to figure this thing out... Unstoppable God Ministries was officially born. Our first board meeting was scheduled for February 6th, which I would later remember was the exact one year anniversary of God confirming that He wanted this ministry to begin. Isn’t God good?!

We hit the ground running after filing as a 501C(3) with a Chicken N Pickle Give Back Night, a successful t-shirt fundraiser, concession stand at the Meaningful Life baseball game, our first annual Unstoppable God Worship Night, and our second annual Unstoppable God Conference. On top of our fundraising efforts we were fortunate enough to receive two grants this year. The first was a 4Imprint grant to cover the startup costs for our t-shirt fundraiser, the second was the DeVaughn James KAKE Wins for Kansas grant. We were excited to win the DeVaughn James not only for the financial help it gave, but it also gave us an opportunity to speak about the gospel on television. If you haven’t seen our segment yet, you can find it on our website.

As we close out this year and look towards 2024, I ask you to pray for us as an organization, and pray about how you can help UGM continue our ministry. We have many big plans for 2024 to serve our families but it will take fundraising, volunteers, and spreading the word to make it possible. Please share about our organization with other families, contact us for opportunities to serve, and keep us in mind as you plan your year end giving. We are confident in God’s plan for this ministry and look forward to how he will use you to make it happen.

About Unstoppable God Ministries

Unstoppable God Ministries was officially incorporated in February 2023 with a mission to provide resources, knowledge and experiences for people with intellectual and developmental disabilities to know God's unstoppable love and power. This mission statement can be summed up in our slogan: Equipping Disciples, Sharing the Gospel. This non-profit organization began after a successful first Unstoppable God Conference in October 2022, serving 17 young adults with intellectual and developmental disabilities.

Unstoppable God Ministries is devoted to providing more than fun weekends and events, we want participants to truly know Christ and grow deeper in their relationship with Him. This year we've worked hard to have adaptable resources at conference to make sure every participant was met at their level of understanding and given an opportunity and learn and grow. As we enter 2024 we have even more plans to serve our participants with digital, physical, and in person resources. Serving God is the core of what we do. Wherever He leads, we intend to follow with radical obedience.

One Year Review

Last year we served 17 campers at the first Unstoppable God Conference. We fundraised \$3,000 to make the conference possible and were blow away that God made it all happen. This year, God exceeded our expectations again! We served 29 campers at UGC 2023 and fundraised over \$6,000 plus an additional \$1,000 in grants received. Through our fundraising efforts we were able to begin the Unstoppable God worship night, award conference scholarships, create marketing materials, and expand our volunteer team at Unstoppable God Conference 2023.

2023 Highlights

CREATED TEES FUNDRAISER

APRIL 2023

To begin our fundraising for the year we designed our “Created” tee. The shirt was designed based on Esther 4:14 “perhaps this is the moment for which you have been created”. We believe every person was created by God, for a purpose. Anyone who donated \$25 or more during that time received a t-shirt. The campaign was an exciting kick off to meet our fundraising goals!

WORSHIP NIGHT

JUNE 2023

Our first Worship Night in June was a great way to gather together and praise God for all He has done. The community event also helped us share the mission of Unstoppable God Ministries and brought in key volunteers and supporters.

GRANTS

MARCH-JUNE

We received two grants this year that were vital to our success. The first was the OneByOne Grant by 4Imprint to cover the majority of the costs to print our Created tees. The second grant received was the DeV Vaughn James KAKE Wins for Kansas grant which was used to cover scholarships and volunteer costs of conference.

UGC 2023

OCTOBER 2023

In October we hosted our second Unstoppable God Conference. Our camper attendance raised from 17 in 2022 to 29 in 2023. Our volunteer team expanded from 7 to 13 and we watched God move in big ways. So far we know of one young woman who accepted Christ and another who has made the decision to be baptized. We love hearing the countless other stories of how UGC 2023 helped our campers in their walk with Christ.
